

CARIBBEAN AGRICULTURAL RESEARCH AND DEVELOPMENT INSTITUTE (CARDI)

VACANCY NOTICE SCIENTIST 1

The Caribbean Agricultural Research and Development Institute (CARDI), an autonomous Institute funded by member countries of the Caribbean Community (CARICOM), invites applications from persons to carry out the duties as indicated in this advertisement for its offices in Trinidad and Tobago.

The incumbent will be responsible for the successful execution of appropriate programmes within Institute's Strategic Axes of Development of Sustainable Industries as well as development of Strategic Linkages and Institutional Strengthening.

Under the guidance/supervision of the CARDI Representative and/or Senior Professional the incumbent will be required to assist in planning and designing research and development activities for the expected results in, as appropriate, crops development, livestock development, planting materials, emerging issues, soil and water management, biotechnology development, invasive species control and management and climate change issues (including background searches and other documentation).

QUALIFICATIONS AND EXPERIENCE

A minimum of a post graduate university degree in agricultural science or equivalent related discipline.

Two years post-qualification experience in the application of research and development methodologies.

Competency in the use of computer productivity applications

Applications should reach the Institute no later than **23 November 2011** and should be addressed as follows:

CARDI Country Representative
Caribbean Agricultural Research and Development Institute (CARDI)
P.O. Bag 212
UWI
ST. AUGUSTINE
E-mail: ttunit@cardi.org
Telephone: (868) 645-1205-7

Unsuitable applications will not be acknowledged.
