VACANCY NOTICE – Livestock Scientist

The Caribbean Agricultural Research and Development Institute (CARDI) an autonomous Institute funded by Member Countries of the Caribbean Community (CARICOM) invites applications for the position of **Livestock Scientist** located at our CARDI Unit in Guyana.

**FUNCTION:**
The candidates will be responsible for performing a combination of research and development duties related to animal production such as – nutrition, husbandry, physiology and health; sustainable production systems; intensive and semi-intensive systems and knowledge diffusion services. This person works under the direct supervision of the CARDI Representative and is required to carry out other duties that may be assigned from time to time. This job will principally involve small ruminants, but is not limited this class of livestock.

**QUALIFICATIONS**
Post Graduate degree in Agriculture or related subject.

**EXPERIENCE**
Post graduate training in Livestock Science or related field and at least five years experience in agricultural research and development.

**SALARY/BENEFITS**
Salary commensurate with qualifications and work experience.

For further details on this job please visit our website at [www.cardi.org](http://www.cardi.org). Applications should be addressed to the Head, ICB Unit, Caribbean Agricultural Research and Development Institute (CARDI) P.O. Bag 212, University Campus, St. Augustine, Trinidad and Tobago or via email at hresources@cardi.org.

The deadline date for receipt of applications is 28 December, 2017.

**Unsuitable applications will not be acknowledged.**
