The Caribbean Agricultural Research and Development Institute (CARDI), an autonomous Institute funded by Member Countries of the Caribbean Community (CARICOM), invites applications for the position of **Animal Productionist** at its Unit in Jamaica.

**FUNCTION:**
The successful candidate will be responsible for performing a combination of research and development duties related to animal production such as – breeding, nutrition, husbandry, physiology and health; sustainable production systems; intensive and semi-intensive systems and knowledge diffusion services. Responsibilities also include managing the Sam Motta Goat and Sheep Demonstration and Training Centre. This person works under the direct supervision of the CARDI Representative and is required to carry out other duties that may be assigned from time to time. This job will principally involve small ruminants, but is not limited to this class of livestock.

**QUALIFICATIONS**
Post Graduate degree in Agriculture or related subject.

**EXPERIENCE**
Post graduate training in Livestock Science or related field and at least six years experience in agricultural research and development.

**SALARY/BENEFITS**
Salary commensurate with qualifications and work experience.

For further details on this job please visit our website at [www.cardi.org](http://www.cardi.org). Applications should be addressed to the Human Resources Unit, Caribbean Agricultural Research and Development Institute (CARDI) P.O. Bag 212, University Campus, St. Augustine, Trinidad and Tobago or via email at hresources@cardi.org.

The deadline date for receipt of applications is June 20, 2022.

**Unsuitable applications will not be acknowledged.**
